## Don't miss the 2021 ORWARN Conference this October at AGATE BEACH in Newport OR!

At the 2021 ORWARN Conference, national, regional, state and local experts will share steps utilities can take to prepare for major emergencies or hazardous events.

Please join us at beautiful AGATE BEACH in Newport, OR for these informative sessions.

We are applying for Oregon water and wastewater CEUs for the conference.

Located in Newport, OR, the spacious and welcoming **Best Western Plus AGATE BEACH INN** offers the area's newest and largest conference facilities and incredible views of the Pacific Ocean and Yaquina Head Lighthouse.

## WHO ATTENDS

- Water and wastewater system operators who are the frontline responders to an emergency.
- Information Technology and Security experts who protect critical water systems from cyber threats.
- Policy and decision-makers who direct overall water and wastewater programs.
- Emergency management staff who are involved in responding to agency emergencies of all sizes.
- Government managers and executives who are responsible for protecting local and state government systems and critical infrastructures.
- Senior managers directly charged with protecting their corporate or government infrastructure.
- Civil and construction engineering professionals.
