TENTH ORWARN CONFERENCE!

2021 ORWARN Conference

October 20-22, 2021 ■ Newport, Oregon

Continuity of Operations Planning Is Your Utility Ready?

Don't miss the 2021 ORWARN Conference this October at beautiful Agate Beach in Newport, Oregon!

Prepare/Respond/Recover includes planning for different scenarios. At this conference there will be presentations on a wide variety of topics applicable to drinking water and wastewater systems. Expect a couple of presentations on how to prepare a Continuity Of Operations Plan (COOP) that will be aimed at **systems from small community to large utilities** [think Coronavirus as an example].

Plan to attend October 20-22, 2021!

**Agenda, speakers, & registration details are in the works!*

Oregon Water/Wastewater CEU credits will be applied for

Oregon Water/Wastewater Agency Response Network
